

SIT STAND ELECTRIC DESKS

ConSet

ConSet is a Danish engineering company with a passion for making ergonomic electric desks affordable. As employee wellbeing becomes more important, Sit Stand Electric Desks offer the most flexible and ergonomically sound option to alleviating and preventing back pain in the workplace. In combination with the right seating and desktop accessories, and with the added benefits of greater productivity and reduced staff absenteeism, making the right ergonomic choice is very good value for money!

Features we like:

- Sit Stand working can help to alleviate back pain caused by static posture
- Desk height easily adjusted to ergonomically fit body and task
- Electric operation suits wheelchair & limited mobility users
- Provides flexibility for 'Hotdesking' or Shift working environments
- Environmentally aware specialist Danish company
- Good value for money

501-7

Single column computer desk. Works well in groups, easy to move. Frame capacity 70kg.

PRICES FROM **£352** EX. VAT.

501-17

Simple, modern, elegant. Retractable cable tray & built in wheels. Frame capacity 80kg.

PRICES FROM **£449** EX. VAT.

Consider the LOAD and TASK when choosing the right desk:

LOAD depends on the weight of the desk top selected and total weight of all items placed on the desktop.

TASK is determined by the level of stability required & amount of usage.

Make the right choice

501-11
